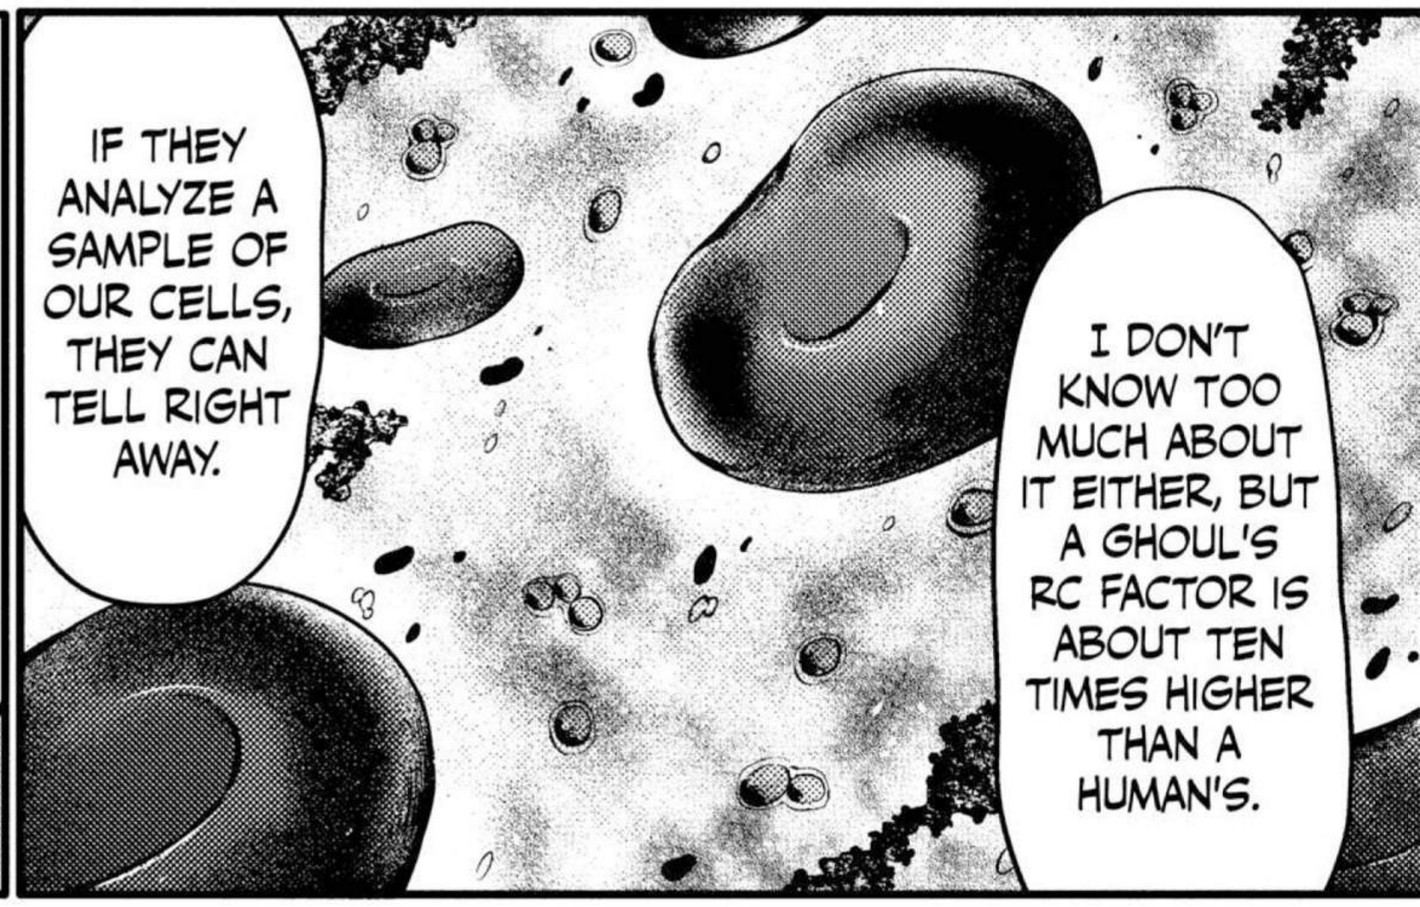
THAT GATE'S DESIGNED TO RESPOND TO IT.
THAT'S WHY THIS IS AS FAR AS GHOULS CAN COME.



IF THEY ANALYZE A SAMPLE OF OUR CELLS, THEY CAN TELL RIGHT AWAY.
I DON'T KNOW TOO MUCH ABOUT IT EITHER, BUT A GHOUL'S RC FACTOR IS ABOUT TEN TIMES HIGHER THAN A HUMAN'S.

Investigator Killed

Two Ghoul Investigators were attacked by a Ghoul in an alleyway next to the Bungetsu Street Highway Entrance in Tokyo's 20th Ward at around 10:30PM on the night of the 10th. Investigator Ippei Kusaba (26) was critically wounded and died. The two investigators were on their way home after eating.

Ippei Kusaba (26) killed in the line of duty

According to the CCG's official statement, the Ghoul stood approximately 155 cm tall and wore a rabbit mask.

The mask was of the character Kachi-Kachi from the character series *zack*, popular amongst teenage girls. It suggests the possibility of the Gho… being a teenager.
